INDEPENDENT AUDITOR'S REPORT

Board of Directors
Down Syndrome Connection of the Bay Area
101-J Town and Country Drive
Danville, CA 94526

I have audited the accompanying financial statements of the Down Syndrome Connection of the Bay Area (a non-profit organization), which comprise the statement of financial position as of December 31, 2015, the related statement of activities and functional expenses, and statement of cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Down Syndrome Connection of the Bay Area as of December 31, 2015, and the related statements of activities and functional expenses and statement of cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

I have previously audited the Down Syndrome Connection of the Bay Area 2014 financial statements, the report dated February 20, 2015. It expressed an unmodified opinion on those audited financial statements. In my opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015**

NOTE 1 – ORGANIZATION

The Down Syndrome Connection of the Bay Area was incorporated as a non-profit 501(C)(3) organization on September 10, 1998. Operations started on March 3, 1998. The Down Syndrome Connection of the Bay Area seeks to empower, inspire and support people with Down syndrome, their families and the community that serves them, while fostering awareness and acceptance in all areas of life.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The net assets, revenues, gains and losses, other support and expenses and other charges in the accompanying financial statements are classified based on the existence or absence of donor-imposed restrictions. Accordingly, for reporting purposes net assets of the Organization and changes therein are classified as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time. There were no temporarily restricted net assets at December 31, 2015.

Recognition of Donor Restrictions - Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as "Net Assets Released from Restrictions".

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total by net class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2015, from which the summarized information was derived.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Income Taxes

The Organization is exempt from federal income tax under Internal Revenue Code Section 501(c)(3) and from state franchise tax under Revenue and Taxation Code Section 23701(d), but is subject to taxes on unrelated business income when earned. The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions as provided in Section 170(b)(1)(A)(vi).

Effective July 1, 2009, the Organization implemented the new accounting requirements associated with uncertainty in income taxes. The Financial Accounting Standards Board issued guidance that clarifies the accounting for uncertainty in income taxes recognized in an Organization's financial statements. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more than likely than not the positions will be sustained upon examination by the tax authorities. As of December 31, 2015, the Organization has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Organization's tax years for 2011 through 2014 remain open and could be subject to the examination by the federal tax jurisdiction. For the state tax jurisdiction, the tax years 2010 through 2014 remain open and could be subject to examination.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Property and Equipment

All acquisitions of property and equipment in excess of \$2,499 are capitalized while expenditures for repairs and maintenance that do not improve or extend the useful lives of respective assets are expensed currently. Property and equipment are carried at cost. Depreciation for property and equipment is computed using the straight-line method over 3 to 30 years. Donated property and equipment are carried at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method.

Compensated Absences

Only salaried permanent employees have vacation time allotted. Vacation is agreed upon in their employment contracts as a negotiated benefit. Vacation may not be carried over into following year when unused in given year without written agreement between employee and the Executive Director. If carry over is approved, only a maximum of one week will be allowed.

Employees will not be paid for unused vacation. All vacation must be used in given years unless otherwise negotiated in writing.

NOTE 3 - CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject Down Syndrome Connection of the Bay Area to concentrations of credit risk consist principally of cash deposits. The Federal Deposit Insurance Corporation (FDIC) insures accounts up to \$250,000 at each institution. At December 31, 2015 and 2014, the Organization had approximately \$0 and \$0, respectively, in excess of FDIC insured limits.

NOTE 7 - RETIREMENT PLAN

The organization offers to its employees a 403(b) retirement plan. It does not contribute to it.

NOTE 8 - OPERATING LEASE AGREEMENT

The Organization is committed into a lease agreement for a copier effective March 2014 for 39 months at \$407 per month.

Year Ending		
2016	\$	4,884
2017	\$	2,442

NOTE 9 - SUBSEQUENT EVENTS

The Organization did not have any subsequent events that required recognition or disclosure in the financial statements for the year ended December 31, 2015. Subsequent events have been evaluated through February 19, 2016 the date the financial statements became available to be issued. The entity has not evaluated subsequent events after February 19, 2016.

Note 10 - Unrestricted Net Assets Adjustment

Unrestricted net assets were adjusted due to \$31,720 received in 2013 that was recorded erroneously as income in 2013, that should have been recorded as a liability. In 2014 the liability was paid. Therefore the payment of that liability is not recorded as an expense, rather as a payment against the liability from 2013.

Audit Objectives

The objective of our audit is the expression of an opinion about whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to in the second paragraph when considered in relation to the financial statements taken as a whole.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America, and will include tests of accounting records, and other procedures we consider necessary to enable us to express such an opinion and to render the required reports. If our opinion on the financial statements is other than unqualified, we will discuss the reasons with management in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement.

Management Responsibilities

Management is responsible for the basic financial statements and all accompanying information as well as all representations contained therein. As part of the audit, we will assist with preparation of your financial statements, and related notes. You are responsible for making all management decisions and performing all management functions relating to the financial statements, and related notes and for accepting full responsibility for such decisions. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you are required to designate an individual with suitable skill, knowledge, or experience to oversee the audit and for evaluating the adequacy and results of those services and accepting responsibility for them.

Management is responsible for establishing and maintaining effective internal controls, and for monitoring ongoing activities; to help ensure that appropriate goals and objectives are met. You are also responsible for the selection and application of accounting principles; and for the fair presentation in the financial statements of financial position, changes in net assets, and cash flows in conformity with U. S. generally accepted accounting principles.

Management is also responsible for making all financial records and related information available to us, and for ensuring that management and financial information is reliable and properly recorded. Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the organization involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Organization received in communications from employees, former employees, grantors, regulators, or others. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, and (3) misappropriation of assets.

Because an audit is designed to provide reasonable, but not absolute, assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform you of any material errors and any fraudulent financial reporting or misappropriation of assets that come to our attention. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from the Organization's attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Audit Procedures—Internal Control

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements.

In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, and other confirmations we request and will locate any documents selected by us for testing.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date. George Carathimas is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.
